Subject : Outcome of QS assessment
Your reference : 8000001

Dear Sir, Madam,

On 26/05/2023 your company was visited by a Kiwa VERIN inspector for Qualität und Sicherheit (QS). Kiwa VERIN has now received the inspection findings from the inspector and has assessed them.

The assessment indicates that your company is fully compliant with the QS General Terms and Conditions and associated regulations. Based on the inspection findings, your company has been assigned **QS status 1**. You are recognized as a participant in the scheme till 11/06/2024. Your QS recognition only applies in combination with an IKB recognition and will expire if no valid IKB certificate is present.

Your recognition as a participant is stated in the digital register on the QS database on the website www.qs-platform.de. You must make sure that an inspection takes place several weeks before the certification date. Kiwa VERIN will contact you before this date. This ensures that your QS certification continues uninterrupted.

If you have any questions about the above assessment, you can contact the undersigned (certificatie@kiwaverin.nl) or +31 (0)88-9984310).

With kind regards,

Markon Fibbers
